PROFESSIONAL SUMMARY

Film and video editor with over 10 years of experience producing narrative-driven content for brand, narrative, architectural, and experiential campaigns. Expert in shooting, editing, color grading, and motion graphics. Additional experience in copy and screenwriting. Leader of projects from concept through delivery, creating social and broadcast assets that meet client objectives on deadline.

EMPLOYMENT HISTORY

Freelance Video Producer; Shooter, Editor, Colorist, Production Coordinator

Los Angeles, California

August 2017 - Present

Producing video content for diverse clients including social media campaigns, promotional videos, advertisements, and events, managing the full production cycle.

- Provide consultation, concept development, shooting, editing, motion graphics, color grading, and final delivery tailored to client goals.
- Maintain clear client communication and project schedules to ensure prompt turnaround and on-budget delivery.

Editor, The Salt and Flickers Podcast

Los Angeles, California

July 2025 - Present

Podcast editor responsible for shaping episode flow, audio quality, and release-ready files.

- Edit and assemble episodes to improve pacing and narrative clarity.
- Perform audio cleanup, mixing, and leveling for consistent broadcast quality.
- Coordinate post schedules and deliverables to meet publishing timelines.

Team Editor and Videographer, Experiential Design Team, GMR Marketing

New Berlin, Wisconsin (Remote)

November 2022 - December 2023

Shot and edited branded content for social and broadcast, leading post-production for immersive experiential activations.

- Directed on-location multi-camera shoots to capture live audience interactions and key brand moments.
- Edited and delivered social and broadcast-ready assets optimized to platform specifications and campaign KPIs.
- Streamlined cloud-based asset management and post workflows to accelerate delivery and maintain version control.
- Collaborated with creative, strategy, and account teams to translate campaign goals into narrative-led video.

Lead Video Producer and Graphic Designer, Brand Practice Division, PDR Corp

Houston, Texas

August 2021 - July 2022

Founded and led video production branch for firm initiatives and external clients, owning the creative process from ideation through final delivery.

- Produced narrative-driven video profiles highlighting architectural design projects, emphasizing storytelling and visual craft.
- Storyboarded and directed commercial pieces for internal and external promotion, coordinating shoots and post-production teams.
- Conceived and launched the Brand Practice commercial series to increase the firm's social engagement and showcase work.

Lead Producer of Behind the Scenes Content, Video Editor and Shooter, Captiv Creative

Houston, Texas

August 2019 - July 2021

Directed and edited multi-format client video projects; ad campaigns, commercials, and web series; ensuring cohesive storytelling across all social platforms.

- Created and produced an online series that documented productions from concept to release, increasing audience engagement with the studio's process.
- Developed storyboards and previsualizations to align production teams and streamline shoots.
- Managed on-set direction and editorial workflows to deliver polished final assets on schedule.
- Wrote and refined scripts to strengthen narrative impact and clarify client messaging.

EDUCATION

Bachelor of Arts - Communication, University of Texas of the Permian Basin

Odessa, Texas

August 2010 - May 2014
